

THE HOUSE RULES

The apartment is at your full disposal, including the food you will find in the kitchen or in the cupboard.

Cleaning and bed linen changing is provided every Wednesday for weekly rentals, every day for daily rentals, every 2 days for periods of time that go from 3 to 4 days, unless differently agreed.

Heating

In winter the heating is set to 20° and functions from 7 to 10 am, from 12 to 3 pm and from 5 to 11 pm.

If you want to extend this length of time, please set the thermostat on Manual, then press briefly the button and select the desired temperature.

Then go back to Automatic and press for at least 3 seconds.

Air Conditioning

Every room is equipped with an individual unit that will be switched on by simply pressing on "on" on the remote controls you will find on your bedside table or nearby the tv set in the sitting area.

Emergencies or utilities malfunctions.

In case of emergency please call:
